DIARY NOTES

24 January 1963

1. [REDACTED] were down to talk to me about their desire to organize a privately financed athletic club for CIA employees on Government property. There are many ramifications and obstacles. I told them that I thought the first thing to do was to find out whether this was legally permissible, and I undertook to ask the General Counsel for an opinion.

2. When forwarding the list of personnel in the Agency who have firing permits, I noted that there were 252 names on it. I have asked Shaf Edwards to review this to make sure that we really need to have this many permits.

3. At the Executive Committee Meeting this morning:

a. The Director said that in his talk with the President yesterday the President had re-emphasized his feeling that Latin America was probably the most important area on the globe insofar as this country was concerned.

b. The Director indicated that in the interest of our liaison with foreign services he expected to start some foreign travel and planned to go to [REDACTED] sometime between now and the end of February--probably also to [REDACTED] and on a later trip [REDACTED]

c. The Director said that he proposed to go over all of our problems with the Department of Defense one by one--NPIC, NRO clandestine operations, the works; and, if necessary, then to go to the President and to arrive at a clear understanding of what our responsibilities were.

d. The Director also spoke to Larry Houston about getting the DCI and DDCI elevated on the executive pay scale. He wanted the DCI to be elevated from category 4 to category 1 and the DDCI from category 5 to category 2. He asked Larry to draft proposed legislation which could be attached to our appropriations request; then he proposed to take up the matter with the White House and get their permission to do so.
